You acknowledge that all computer code is subject to the risk of errors.

The algorithm is constantly supplied with new and updated data, which are the basis for the identification support tools. FMC compiles the data to the best of its knowledge and belief, using professional diligence, but FMC cannot guarantee accuracy, completeness and timeliness. Errors in a data set may lead to unreliable identification support tools.

We have no liability to you for any loss of profit, loss of business, business interruption, business opportunity, or business information nor shall FMC, its affiliates or representatives, be liable for any incidental, exemplary, consequential, punitive, special or indirect damages of any kind whatsoever.

FMC, its affiliates or representatives, will not be liable for any loss or damage caused by a virus, distributed denial-of-service attack, or other technologically harmful material that may infect your mobile device, tablet or other computer equipment, computer programs, data or other proprietary material due to Your use of this App or to Your downloading of any content on it, or on any website linked to it nor for any act or event beyond our reasonable control, including but not limited to, failure of telecommunications networks.
